Dear Friends / Colleague

Greetings from North Eastern Diabetes Society (NEDS). North Eastern Diabetes Society is a 26 years old vibrant academic organization of eight North Eastern States of India with its aim to uplift the knowledge of diabetes amongst the doctors of the whole region and to create public awareness. NEDS is organizing a program the "NEDS Incretin Summit" on 23/10/21, virtually in view of present COVID. This event will focus on the latest emerging trends and advancements on Incretin Based Diabetes management.

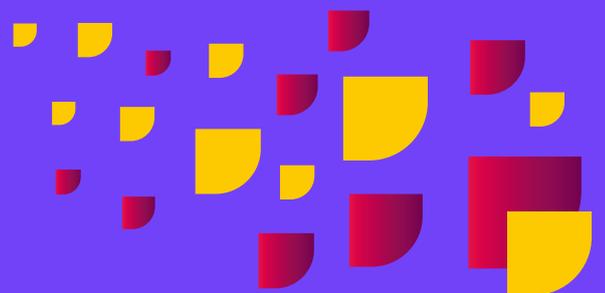

We Sincerely invite you to join the event not only to enrich your knowledge , but also to make the program a lively and vibrant one.

Thank you for your continuous association and cooperation.

Thanking You,
With Regards,

Dr Suranjit Barua
Secretary

Prof. Th Premchand Singh
President
