

Dear friends and delegates

We take great pleasure to announce that the North Eastern Diabetes Society, Manipur State Branch is organising the "29th Annual Conference of North Eastern Diabetes Society, NEDSCON 2024 on 23rd and 24th November, 2024 at Jawaharlal Nehru Institute of Medical Science, Imphal (JNIMS, Auditorium).

Manipur is surrounded by nine hills with an oval shaped valley at its centre, a natural made jewel and hence the name as "Land of Jewels" or Manipur, its literal translation. Manipur is also a melting pot of culture. It has a rich diverse culture & identity of different communities inhabiting the State. She is the proud abode of Sangai, bow antlered deer found in the only floating sanctuary "Keibul Lamjao" located at the iconic land of "Khamba & Thoibi", Moirang, known for its rich contribution to the history of Manipur. Besides she has produced many Olympians and has been rightly claimed as the sports capital of the India. The state is the birth place of Sagol Kangjei (POLO). The State is connected by air and surface with the mainland of India.

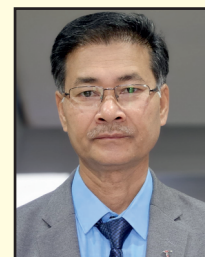

Dear friends, we are committed to present an academic feast of deliberations from the great mind of the country in the field of diabetes with the theme of "Diabetes and Well being" in further strengthening our relentless effort to bridge the gap in quality care.

We would like to invite you and your dear ones to be part of the biggest annual conference of diabetes in the entire North Eastern region. We assure you a warm hospitality.

Yours truly

Prof. Y. Iboton Singh
Organizing Chairman

Prof. Ksh. Achouba Singh
Organising Secretary
