

**BROCHURE 2025**

**NORTH EASTERN DIABETES SOCIETY  
Tripura State Chapter**

**TRINEDSCON 2025**

**2<sup>ND</sup> ANNUAL CONFERENCE OF NORTH EASTERN DIABETES SOCIETY  
4<sup>TH</sup> AND 5<sup>TH</sup> JANUARY 2025, RABINDRA SATABARSHIKI BHAVAN HALL-2  
ORGANISED BY TRIPURA STATE CHAPTER**

***WELCOME YOU ALL & WISHES A HAPPY NEW YEAR***

**“CME Credit hour: 2.0 by Tripura State Medical Council”**

**Dear Members/Doctors/Friends,**

NEDS Tripura Chapter is an organization working in Tripura to generate awareness about Diabetes and its complications to the common people of the State as well as engaged in updating knowledge of Diabetes Practitioners on the recent advancement in Diabetes Management.

It's our proud privilege to inform that NEDS Tripura, chapter maintaining its tradition of scientific and social activities on Diabetes will organize the 2nd Annual Conference on 4th and 5th January 2025, in Agartala at Rabindra Satabarshiki bhavan. There will be a scientific programme on the recent advancement in the field of Diabetes Management. Eminent Speakers from the state as well as outside the state will give deliberation on different emergent topics.

In organizing this Excellent Extraordinary event we need active co- operation from the doctors in the field of Diabetes and other Non- Communicable Diseases. Co-operation is also needed from the Pharmaceutical Industry, as it is expected to be a nice venue of exchange of thoughts among profession & industry as well as to disseminate proper message of Diabetes to the people through generating awareness about the disease.

NEDS Tripura chapter invites the doctors to register themselves to participate in the Conference. It is also requested to the Pharmaceutical Houses to be an integral part of this event to make this conference a grand success and purposeful in the management of diabetes both for the professionals as well as the patients.

Expecting your active participation and wholehearted co- operation.

Thanking you,

Dr. Manirul Islam  
Organizing Secretary
